

World Wide Technology Testimonials

Chris Palliser
Federal Army – Inside Sales
World Wide Technology, Inc.

“Netria was instrumental in helping WWT win a short-fused opportunity for NETCOM in SWA. With the assistance of Eric and team, we closed the deal and built a stronger partnership for future business together.”

Ben Long
Senior Inside Sales Representative
World Wide Technology

“Thank you for replying quickly and accurately on our quote requests consisting of a wide range of hard to find and difficult to procure products. My team and my customer are very grateful.”

“Ashley Welton
Inside Sales Representative
World Wide Technology, Inc.

Working with Netria has allowed us to quote opportunities for our customers that we would have otherwise had to turn down. Eric is quick to respond and is always willing to help; I recommend reaching out anytime you’re having trouble tracking down a product or have questions regarding Netria’s capabilities.”
